Moving on, we have some questions on voting processes and technology.

9. Can you explain how your office manages voting in nursing homes? Facility contacts SoE office. SoE sends 2 to 3 staff members to location and SoE staffers conduct the voting process, not the facility. * Does not engage w/ Detention Centers unless SoE office receives a VBM = Vote By Mail request.

10.	<p>There are two types of voting machines used in Florida: Dominion and ES&S. Can you tell me which machines you use?</p> <p>Dominion <input type="checkbox"/></p> <p>ES&S. <input checked="" type="checkbox"/></p>
11.	<p>We understand the State of Florida is responsible for updating the voting machines before an election. Is that done by a state employee, or by a contractor or consultant from a private company?</p> <p>State employee <input type="checkbox"/></p> <p>Private <input checked="" type="checkbox"/> If private, which company: <u>ES&S</u></p>
12.	<p>Are you present when the machines are updated, or is that process supervised by someone else? If someone else, what is their position?</p> <p>I am present <input checked="" type="checkbox"/></p> <p>Another person supervises this process (insert title and position) <u>Staff if Supervisor is not able to attend.</u></p>
13.	<p>Do you invite party representatives to witness the update?</p> <p>Yes <input type="checkbox"/></p> <p>No <input checked="" type="checkbox"/></p> <p>Don't know <input type="checkbox"/></p> <p>No answer/refused <input type="checkbox"/></p>
14.	<p>a. Are voting machines ever connected to the internet?</p> <p>Yes <input type="checkbox"/> *Supervisor stated some machines have a modem &</p> <p>No <input checked="" type="checkbox"/> Some machines don't. If yes, when and why are they connected?</p> <p><u>Stated not connected to the internet, more like an Intranet.</u></p>
15.	<p>Concerns were raised across the country about the accuracy and integrity of voting machines in the 2020 elections, and there are now calls to get rid of the machines, and use a manual process like that used in France.</p> <p>a. Do you think it a good idea to go back to a manual voting process?</p> <p>Yes <input type="checkbox"/></p> <p>No <input checked="" type="checkbox"/></p> <p>Don't know <input type="checkbox"/></p> <p>No answer/refused <input type="checkbox"/></p> <p>b. If no, why?</p> <p><u>Accuracy, human error is higher probability than machine counting.</u></p>
16.	<p>Can you tell us what it costs per voter to implement an election in this county? <u>\$1.66</u></p>

Now we have a few questions about the counting process.

17. a. How many (%) extra ballots are available in each precinct? Roughly allocates 70% of the total # of voters in a precinct (varies by precinct) as only 30-40% vote on election day

b. Can you describe the process used to track and account for these excess ballots?
Ballots come in packs which are labeled + counted before + after election night.

We know that in some areas machines had difficulty reading many mail-in ballots, and the votes on these had to be copied on to clean ballots and rescanned. Ballots are transferred to a new ballot + multiple staffers all agree + verify the right choices for transfer

18. a. Can you describe briefly how this process is done?

b. About what percentage of absentee ballots required copying in this county/city during the 2020 election? $\frac{1,000}{\text{Total}}$ ish in 2020 out of 270,000 voters registered

c. Were pollwatchers from each party present during the copying process?

Yes _____
 No _____
 Don't know _____

21.	<p>a. If no, would you be willing to distribute such a publication that we would prepare based on Florida law?</p> <p>Yes <input type="checkbox"/></p> <p>No <input type="checkbox"/></p> <p>Don't know <input type="checkbox"/></p> <p>No answer/refused <input checked="" type="checkbox"/></p>
22.	<p>If the Legislature through the Department of State allowed independent non-partisan observers, would you welcome that?</p> <p>Yes <input checked="" type="checkbox"/></p> <p>No <input type="checkbox"/></p> <p>Don't know <input type="checkbox"/></p> <p>No answer/refused <input type="checkbox"/></p>
