Initial phone contact was made at 2:15 pm Monday, August 16, 2021. I spoke with Diana Dutton, Deputy Registrar, who was polite and helpful taking down my information.

Alex Ables, General Registrar, returned my call at 2:50 pm on Monday, August 16, 2021. What was strange about the call was that the caller ID came up on my phone as Ray Graham. Ray Graham was my contact in Fauquier County Parks and Rec several years ago when I taught yoga in Fauquier.

I explained to Alex Ables why I was calling. He asked if I already had all the questions and when I told him yes, he said for me to email the questions to him. I asked again if we could set up a meeting to discuss the questions. He replied that if he could answer all the questions succinctly (was the word he used), he saw no reason to have a meeting. I asked three times and he declined to meet. He wanted me to just email the questions. I closed the phone conversation telling him I would email the questions.
